

OBJECTS

The objects of this Society are declared to be patriotic, historical, and educational, and shall include those intended or designed to perpetuate the memory of those patriots who, by their services or sacrifices during the American Revolutionary War, achieved the independence of the American Colonies from British rule; to unite and promote fellowship among their descendants and inspire them, and the community-at-large, with a more profound reverence for the principles of the government founded by our forefathers: to encourage historical research of the American Revolution; to acquire and preserve the records of the individual services of the patriots of the war, as well as documents, relics, and landmarks; to mark the scenes of the Revolution by appropriate memorials; to celebrate the anniversaries of the prominent events of the war and the Revolutionary period; to foster true patriotism; to maintain and extend the institutions of American freedom and to carry out the purposes expressed in the preamble of the Constitution of our country and the injunctions of George Washington in his farewell address to the American people.

SAR PLEDGE

We, descendants of the heroes of the American Revolution who, by their sacrifices, established the United States of America, reaffirm our faith in the principles of liberty and our Constitutional Republic, and solemnly pledge ourselves to defend them against every foe.

SAR RECEPTIONAL

Until we meet again, let us remember our obligations to our forefathers who gave us our Constitution, the Bill of Rights, an independent Supreme Court and a nation of free men.

Mission statement

The Sons of the American Revolution honors our Revolutionary War patriot ancestors by promoting patriotism, serving our communities and educating and inspiring future generations about the founding principles of our country.

HISTORY

The Florida Society of the Sons of the American Revolution was organized in Pensacola, Florida on March 14, 1896 by Lieutenant John Henry Bull, U.S. Navy, seven years after the National Society was founded on April 30, 1889.

Lieutenant Bull was a member of the Connecticut Society, whose National number was 5417. His application was approved by the State Board of Management on February 2, 1891 and his transfer to the Florida Society is dated March 14, 1896. His State number was 1.

Though Lt. Bull was the dominant force in establishing the Pensacola Chapter of the SAR, John Campbell Avery was the Florida Society's first President, serving from 1896 to 1904. Compatriot William O. H. Shepard was the first Secretary.

On March 1, 1972, The Florida society was reorganized and established in its present form. Compatriots Carl K. Hoffman, Clarence Sheftall, Jr., and Richard H. Thompson, Jr. appeared as the original subscribers at the incorporation of the Florida Society. Colonel Clarence L. Hewitt, Jr., of the Clearwater Chapter was elected President, and Compatriot Francis F. Henderson was named Secretary-Treasurer.
